DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

2nd Notification of Non-Compliant Appeal Brief (NO NEW TIME PERIOD).

The Appeal Brief filed on 3/19/2009 remains defective for reasons previously stated in the Office Action mailed 2/17/2009.

To avoid dismissal of the appeal, applicant must file an amended brief or other appropriate correction. THE TIME PERIOD FOR RESPONSE CONTINUES TO RUN FROM THE MAILING DATE OF THE LAST NOTICE (i.e., 2/17/2009).

As stated in the previous notice in boxes 3 and 4:

At least one amendment (filed 7/7/08) has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 DFR 41.37(c)(1)(iv)).

The Summary of Claimed Subject Matter section of the brief fails to: (1) identify, for each independent claim involved in the appeal and for each independent claim argued separately, every means plus function (i.e., "driving means" of claims 38 and 39) and step plus function under 35 U.S.C. 112, sixth paragraph, and (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function (i.e., "driving means" of claims 38 and 39) with reference to the specification by page and line number, and to the drawings by reference characters (37 CFR 41.37©(1)(v)).
